One hundred percent of event proceeds benefit these fine organizations:

#### American Legion Post 741

#### Pawz for Wounded Veterans Program

Canine Support Teams' "Pawz for Wounded Veterans Program," provides service and assistance dogs to those who have sustained disabling injuries or suffer from PTSD as a result of military service. When wounded soldiers go through rehabilitation therapy, they are surrounded by men and women who have shared their experiences in battle. But when they return home, they leave this support system behind, and some may struggle to make the transition back to civilian life. Canine Support Teams provides service dogs to enhance mobility and independence while offering unconditional love, and companionship. Not only does a service dog provide assistance with daily activities, the dog serves as a bridge. People focus on the dog, not the disability. This leads to conversation and acceptance. For some veterans, the dog gives them the motivation to continue the challenges of everyday life.

**Veterans Service Office & Vet Center:** The County Veteran Services Office (CVSO) and Vet Center can readily use gift cards to grocery stores (Vons, Ralphs, etc.) and gas stations (Shell and Chevron). These cards would be distributed to the most needy veterans requiring immediate assistance with obtaining food for their families and gas for the vehicles to make medical appointments, drive to work, etc. **Learn more:** <http://portal.countyofventura.org/portal/page/portal/VCHSA/VeteransServices>

#### VITAS Community Connection

The VITAS Community Connection is a nonprofit organization that allows family and friends of VITAS to honor the memory of their loved one by making a special gift. One hundred percent of proceeds makes a difference in the community by supporting the special needs of our hospice patients and their families, as well as charitable organizations throughout our local community. **To learn more, visit** [vitascommunityconnection.org](http://vitascommunityconnection.org).
