

Community Outreach & Corporate Giving

THE SOLDIERS PROJECT RECEIVES JANUARY 2014 DONATION FROM GSMS, INCORPORATED

January 1, 2014

FOR IMMEDIATE RELEASE

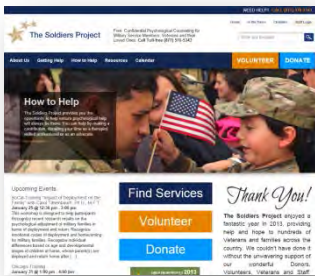

Camarillo, California - **The Soldiers Project** is the recipient of the January 2014 donation from GSMS, Incorporated. GSMS takes great pride in supporting organizations which benefit Veterans, military personnel, and their families.

About The Soldiers Project

The Soldiers Project is a 501 (c) (3) non-profit organization dedicated to providing free, confidential psychological services to US military veterans and their loved ones who have served at any time after September 11, 2001.

Mission Statement

The Soldiers Project is committed to providing a safety net of psychological care for military service members and their loved ones as well as educating the general public on how the psychological consequences of war affect not only those who serve, but also their loved ones at home and in our communities. We provide free, confidential professional psychological counseling services to those who have served in our nation's military after September 11, 2001.

Serving the pharmaceutical marketplace since 1986

Veteran-Founded, U.S.A. based company

About GSMS, Incorporated

Each year, GSMS, Incorporated (GSMS) commits financial support and product donations to help make a difference in people's lives, with a strong focus on supporting Veterans and their families. Likewise, GSMS staff members volunteer their time, talent and energy to strengthen and enrich their local communities.

GSMS, Incorporated is a Veteran-Founded, U.S.A. based company serving the pharmaceutical marketplace since 1986. We are a generic pharmaceutical company that specializes in meeting unique labeling and sizing needs for our customers. We are also a leader in pharmaceutical packaging, serialization, and distribution.

Our mission is to ensure the integrity and safety of our products—from manufacturing and packaging to distribution—and to meet the individual needs of our customers and the providers and patients they serve.
