VENTURA VET CENTER RECEIVES JULY 2013 DONATION FROM GSMS, INCORPORATED

July 1, 2013

FOR IMMEDIATE RELEASE

Camarillo, California - **VENTURA VET CENTER** is the recipient of the July 2013 donation from GSMS, Incorporated. GSMS takes great pride in supporting organizations which benefit Veterans, military personnel, and their families.

About VENTURA VET CENTER

We are the people in VA who welcome home war veterans with honor by providing quality readjustment counseling in a caring manner. Vet Centers understand and appreciate Veterans' war experiences while assisting them and their family members toward a successful post-war adjustment in or near their community.

The Vet Center Program was established by Congress in 1979 out of the recognition that a significant number of Vietnam era vets were still experiencing readjustment problems. Vet Centers are community based and part of the U.S. Department of Veterans Affairs. In April 1991, in response to the Persian Gulf War, Congress extended the eligibility to veterans who served during other periods of armed hostilities after the Vietnam era.
